JOB EXPERIENCE

1. Supportive engineer : Network operation , Antaranga dot com (Augest 1, 2025 to running)

Job Summary :

As a Supportive engineer at Antorongo, I assist in ensuring smooth daily operations by providing essential support to various departments. My responsibilities include maintaining organized workflows, assisting team members with administrative or operational tasks, and ensuring that internal processes run efficiently.

2. Customer service officeer : Genex infosys limited (April 9, 2025 to July 22, 2025)

Job Summary :

As a Customer Service Officer (CSO) at Genex, I was responsible for delivering exceptional support and service to customers, ensuring their needs and inquiries were addressed promptly and professionally. My role involved handling incoming calls, managing customer queries, resolving complaints, and maintaining accurate records of customer interactions. I worked closely with cross-functional teams to ensure smooth communication and quick resolution of service-related issues, contributing to customer satisfaction and retention.

3. Construction Supervisor : M/S. Star Associates (October 20, 2020 to October 22, 2022) 24 months

Job Summary :

As a Construction Supervisor, I am responsible for overseeing and managing construction projects from start to finish, ensuring that all work is completed safely, on time, and within budget. I coordinate daily operations on-site, supervise construction crews and subcontractors, and ensure compliance with project plans, specifications, and safety regulations.
